Terms and conditions:

- preferred music selection is modern music for ballet dance and classical music for modern dance; in the case of incompatibility of the performance with this condition the performance shall not be disqualified, but will obtain less points for the „music selection“ criterion
- every single contestant is allowed to compete once in a solo competition and once in a group competition
- the length of one performance should not exceed 3:30 mins (longer performances shall be disqualified)
- those from dance academies or other professional dance schools and those who are dance professionals or members of professional dance ensembles are not allowed to participate.
- every school is entitled to enlist only 4 performances in one category
- the order of performances will be determined by the organizers, the schedule will be provided to the competing schools and individuals in advance.

Applications:

- Applications should be sent in electronically only on a prescribed form. Deadline for sending the applications is set on 7th May 2023. Applications received after this date will not be considered.
- Records of performance music is considered as a part of the application. The record should be sent to 21st May 2023. The records can be in format of mp3, mp4, rar, zip sent to naruby.info@gmail.com .
- A form of onset entrance in the performance should be noted in the application – entrance with music or without, exact runtime of the entrance in the music should be specified.
- Light and other special effects are not allowed, contestants are responsible for other props that they wishes to use in their performance.
- Electronic registration will be open 5 days before the competition. It offers contestants possibility to make small adjustments in their application informations (eg. changes in members of the group due to illness) and also to confirm their participation. The registration will be open also on day of the masterclasses as well as on the location on the day of the competition.

Assessment:

The expert jury's evaluation is based on score. In each category, the following awards will be announced:

1. place

2. place

3. place

Honorable recognition

Evaluating criterias: creativity, music selection, harmony of the dance and music, dance expression, technical skill, and ability to improvise.

The expert jury based on the evaluation of individual competition numbers reserves the right not to award any of the prizes or right to duplicate awarded prize.

Apart from prizes awarded in each competition category, prize GRAND PRIX will be announced for the performance that best fulfilled the intention of the competition, tj. linking ballet dance with
